

Mirri Silk

Using Mirri H Colours as a base, the **Mirri Silk** range is created through the additional application of a matt Anti-Scuff Lamination, that mutes the brightness and gives a silky, textured appearance that is also scuff resistant. All Mirri H Colours are available as part of the Mirri Silk range.

Larger format & bespoke sizes up to **3.2m in length** can be produced to order, please contact sales for details.
